“Overflowing with Learning”

Message from Principal Schildbach: It is time for Spring Break and I hope you all have something enjoyable to do during break. I do have one favor to ask of you before the break. Please complete the Family Engagement Survey located on the Anchorage School District website. Begin by going to www.asdk12.org, then hover over the word “Families”, then select ‘Family Engagement Survey’ under the ‘Learning’ heading. The survey will take 5 to 10 minutes and will provide valuable information to the school district about our programs.

A reminder to parents: if you are dropping off your student after 9:00 a.m. in the back parking lot and you do not see students standing in line you need to proceed to the front door and drop them off. The outside doors are locked and your student will not be able to get into the school at that time. There were at least 2 incidents that I witnessed this week of students being dropped off after 9:10 am in the back parking lot. When in doubt drop them at the front door. Thanks and have a good break.
